Our signature coffee is a South American Mid-Dark roast, roasted within 10 miles of our cafe by expert roasters. We sell our signature beans as 500g packs, so you can enjoy the same great Byron's taste at home. Our baristas are happy to help explain the best methods for home brewing.

Our Café Gourmand is a little moment of indulgence, three artisan chocolates perfectly paired with any of our hot drinks. Whether enjoyed alongside your coffee or saved for later, it's an elegant treat designed to elevate the everyday.
